

**REPORT**  
on  
**“Bureau of Indian Standard (BIS)”**

**EVENT:** Standard club Inaugural

**TIME:** 10.00 am to 5.00 pm

**DATE:** 04/07/2023

**VENUE:** CRC Seminar Hall

**Introduction:**

We are pleased to present the inaugural report of the Bureau of Indian Standards (BIS) Club, organized by department of Mechanical Engineering, PESCE Mandya, which marks a significant milestone in our journey towards promoting excellence in standards and fostering a culture of quality and innovation. The BIS Club is a platform that brings together professionals, experts, and enthusiasts from diverse industries to collaborate, exchange knowledge, and contribute to the advancement of quality standards across India.

**Event Details:**

The inauguration of the BIS Club took place on 04/07/2023 at CRC Seminar Hall. The event was graced by the presence of esteemed guests, including representatives from the Bureau of Indian Standard - Mr. Mohan Kumar PN, Mechanical Department HOD -Dr.Rudresh Addamani, PESCE Controller of Examination - Dr.KJ Mahendra Babu, passionate Mechanical department Teaching Faculties.

**Club Background:**

The BIS Club was conceived with a vision to create a network of like-minded individuals who share a common goal of upholding the highest standards of quality, safety, and reliability in various sectors. As an extension of the Bureau of Indian Standards, the club aims to complement the work of BIS by promoting awareness, education, and implementation of standards in industries and communities.

## Photos of BIS Inaugural:

## Objectives of Our standard club:

1. Raise awareness about the significance of adhering to national and international standards.
2. Facilitate knowledge sharing and capacity building among members through seminars, workshops, and expert sessions.
3. Foster collaboration between industries and academia for research and development in the field of standardization.
4. Encourage the adoption of eco-friendly and sustainable practices through the implementation of relevant standards.
5. Act as a conduit between BIS and various industries, channeling feedback and suggestions for continuous improvement.

## Acknowledgements:

The success of the BIS Club's inauguration event would not have been possible without the support and contribution of numerous individuals and organization. We extend our heartfelt gratitude to:

1. The Bureau of Indian Standards for their guidance and encouragement in establishing the club.

2. Our esteemed guests and speakers for sharing their invaluable insights during the inaugural event.
3. The volunteers for their untiring efforts in ensuring the event's success.
4. All club members for their enthusiasm and commitment to our mission.

### **Future Plans:**

Looking ahead, the BIS Club has ambitious plans to make a meaningful impact in the realm of standardization. Some of our future initiatives include:

1. Organizing regular workshops and training programs on specific standards and their implementation.
2. Collaborating with industries to address sector-specific challenges through standardization.
3. Launching awareness campaigns to highlight the benefits of BIS certification for businesses and consumers alike.
4. Establishing a knowledge repository to provide members with easy access to relevant standards and best practices.

### **Conclusion:**

The inauguration of the Bureau of Indian Standards (BIS) Club marks the beginning of an exciting journey towards promoting quality, safety, and innovation across various industries. We are confident that with the collective efforts and enthusiasm of our members, the BIS Club will become a beacon of excellence in the standardization landscape of India.

We thank everyone who has contributed to this significant endeavor and look forward to a future filled with achievements and impactful initiatives.

Thanking you

Anand K
