PESCE Alumni Affairs - Overview

The Office of Alumni Engagement supports the PESCE Alumni Affairs, working on behalf of its board of directors, an all-volunteer policy-setting body. The Affairs represents more than 50,000 alumni and is a non-due paying organization. All PESCE graduates automatically become members and are entitled to the quality services and activities provided by the alumni Affairs.

Whether your connections to PESCE through, various special interest networks or other groups, the PESCE Alumni Affairs serves as a source of volunteer guidance, resources, camaraderie and support. Join us for our events and don't hesitate to let us know what you want from your Alumni Affairs. Your interests are important. Together, we will help ensure the excellence that is the source of our pride in PESCE.

The offices of development and alumni engagement along with advancement leadership make up the Division of Advancement team of approximately 7 Coordinators whose works supports every aspects of PESCE mission.

Working with the PESCE Foundation, partners on campus, and the boards of the Foundation and of the Alumni Affairs, the division strengthens the college and elevates the PESCE experience for students, faculty, staff, alumni, donors and everyone who shares a passion for the institute and its continued success.

Advancement and PESCE thrive thanks to gifts of time, talent and financial support from alumni, donors and other friends. In addition to volunteering as mentors and participating at alumni events worldwide, philanthropy is another important and meaningful way our alumni deepen their engagement and stay connected to PESCE.

PRESIDENT MESSAGE

I am very happy to know that Department of Management Studies and Research Centre is bringing its Alumni Newsletter ANUSMARAN 2023.

This Newsletter is the effort made to bring out the glimpses of various activities conducted by the Department which provides assistance for our students in Project execution, better placements and Entrepreneurship. I wish them GoodLuck in the days to come.

Sri. K S Vijay Anand
President of PET^(R)
Mandya

SECRETARY MESSAGE

It is my honor and privilege to state that the Department of Management Studies, P.E.S. College of Engineering, Mandya with collective efforts of faculty members, Alumni and students resulting in bringing out the Anusmaran 2023. I believe this Alumni Newsletter provides information about alumni association, involvement of alumni assisting our students for Placement, Internship and Projects for better employability. I extend my best wishes for all the endeavors.

Sri. S L Shivaprasad
Secretary of PET^(R)
Mandya

MESSAGE FROM PRINCIPAL

It is privilege that the Department of Management Studies is bringing out this Alumni newsletter Anusmaran 2023. The department is nurturing, supporting and educating our student community with the due support of our faculties and alumni as a helping hand to guide our students to expand their horizon in various domains. Faculties and Alumni act as a ray of hope for the students by suggesting companies for placements, brings spirit of Entrepreneurship skills. I wish this legacy to continue for the long year to cherish.

Dr. R M Mahalinge
Gowda
Principal, PESCE

ALUMINI ASSOCIATION

In the 62 years since its inception, PES College of Engineering, Mandya has national level alumni network within the country. The Department of Management Studies established in the year 2009, have been always cherished the presence of its study network of interconnected alumni. The MBA Department produced around 700 intellectuals who contribute graciously to bring societal transformation within the country. It maintains a separate one of Alumni link for alumnus to register themselves and remain associated with the department forever.

Alumni Involvement

Alumni visit to institution and interact with students and they involve in curriculum development, project guidance, assistance in entrepreneurship, mentoring of students, assistance in placement, Contribution to the department in various aspect.

Alumni Meet

The department invites its alumni for motivating and guiding students for higher studies, for guest lecture, seminars and also as judge for various events. The alumni groom the students by giving the feedback about expectation of industries from fresher. The self employed alumni conduct workshops and value addition programs for students.

The Annual Alumni Meet is an occasion where Alumni to reconnect with their Alma Mater and bring its Alumni together. It brings them longing of the old days of their MBA, as they meet their professors and their old batch mates who had a significant role to play in their lives.

ALUMNI SPEAK

Batch 2018-20

It's my pleasure that MBA Department, P.E.S. College of Engineering, Mandya, played a crucial role in shaping my career. The journey of MBA program is memorable and remarkable - like National seminars, Business Trips, Inter College competitions, National Conference, Research Papers so many opportunities was in my bucket and leant so many valuable things from it. Now I am in the best position and exploring new things in real world. Also I am thankful to the Department of MBA for providing many services. Finally I would like to say our college education is a key movement in my life.

STUDENT'S FEEDBACK ON ALUMNI LECTURE SERIES

The sessions were really interesting and meaningful. It brings awareness for the fresher's about the skills which are required for better employability. The areas in the field of E-Commerce, investment management was really impressive. Overall it brings a lot of weightage for the students when we get in to corporate because of the valuable inputs.

**- JEEVAN KUMAR K M
(4PS21BA016)**

The Alumni series conducted by the department of MBA was really useful. On the first day Mr. Mahadevaswamy thought about communication skills and some soft skills. Mrs. Harshitha was later handled the session and tried to build the coordination, team management between the students further she concluded her session with a story of a women entrepreneur, that was all about first day of Alumni Session. On an other day Mr. Praveen guided us and briefed about the E-commerce and explained how it works and also conducted Group Discussion among the students. Later on, Mr. Preetham was the last person of the series and he shared his own experiences about how he struggled in the beginning days to secure a good job and what are all the challenges he faced in the path of his life journey and concluded well. Overall it was a good time to have with them and they also provided us with some knowledge about ongoing market.

**- SANJAY
(4PS21BA043)**

STUDENT'S FEEDBACK ON ALUMNI LECTURE SERIES

The talk given by Harshitha R about the 'HR analytics' and the talk given by Mahadevaswamy RM about 'The Profit Maximization' was outstanding. The talk given by Mr. Praveen S and Mr. Preetham M, Made us to understand about the industry culture. They have explained their challenges to mould their career. For this they have explained how communication skills plays a predominant role to reach their dreams. The information about portfolio management and logistics was really impressive. Alumni programs like this helps us a lot during our academic endeavor. Which gives useful information and Motivates to explore ourselves in this competitive era.

**- TEJASHREE K B
(4PS21BA054)**

This is my feedback on about the alumini meet, the Session that was held in our department. I want to thank our beloved faculty members for organizing this event. The session was very productive, Harshitha mam was very inspiring to us. The session was effective since we had topics such as self employment and entrepreneurship. We gained a lot of insights from her. I really appreciate it and not only I learnt but also it was a kind of fun activity. This session was much needed. Thank you again and I am looking forward to more such sessions from the mentors.

**- NIVEDITHA SK
(4PS21BA032)**

ALUMNI SPEAK

I will be always grateful to the MBA Department, PESCE, Mandya. Because of friendly and supporting teachers who were motivating us to acquire continuous knowledge, which helped me out to implement all ideas and skill in my business.
