## **INTRAMURAL/INTER DEPARTMENT COMPETITION:**

Every year, in the odd semester organise intra-department sports competitions and in the even semester organise inter-departmental sports competitions for students & staff together with the cooperation of staffs, students, sports representatives/secretaries from all the department/sections and the captains of various teams.

Finally, I can hardly tell all how blessed the god is to have such a wonderful, talented and cooperative Management, Principal and my colleague staff. Without each one of my associate staff members, it would be impossible for me to guide the students and to make them participate and achieve in all the sports and extracurricular activities. I am thankful to the management, principal, all the staff members (teaching and non-teaching) for their kind support and encouragement.

I think that our Annual Report of Physical Education and sports department has shown that our student have engaged, achieved and enjoyed a lot indeed. More, no doubt, can still be done... excellence in this field should be our goal! President Obama said "Yes, we can", as part of his inaugural speech. I can safely say at the end of one year, not only "Yes, we can....achieve", but "Yes, we have ..... Achieved".

Thank You!
