PRESIDENT MESSAGE

The P. E. S. College of Engineering is one of the leading educational institutions in Karnataka and it has been immensely helpful in providing adequate technocrats to fast growing industrialization in our country. The vision of our institute is based on hard work, open communication, a strong emphasis on team work and a high level of responsibility. This visionary culture allows and emphasizes our wards not only to adopt the present day challenges but also individual responsibilities to the society and our nation at large.

Learning should be based on doing things and not merely knowing things. Until and unless learning solutions relate to real life and motivate the learner to acquire and apply the knowledge, the whole process will remain superficial. Any engineering institution worth its name looks to optimize the productivity of global leaders. Our institution has set specific objectives and planned activities for achieving excellence in all spheres of technical education.

The service of the institution in creating personally mature, professionally equipped and service-oriented graduates is really worth mentioning. We strongly believe in academic excellence and do not compromise on teaching standards or discipline. These three things are the springboards on which we operate.

The future is yours – set goals, confront challenges and seize opportunities. Make sure you have a purpose and a passion for what you pursue. As you celebrate your accomplishments today, may you honour the God who has brought you thus far and continue to depend on Him for guidance, as you navigate this thing called LIFE.

People who feel good about themselves produce good results and people who produce good results feel good about themselves. We also believe in total learning and sharing.”

Congratulations and my very best wishes to the Graduating Class of 2023.

Sri. K S Vijay Anand
President, People's Education Trust®, Mandya.

PRINCIPAL MESSAGE

It is a great honor and privilege to share a message on this momentous occasion - the Graduation Day of our Engineering College. This day marks a significant milestone in the lives of our graduates, and it is a celebration of their hard work, dedication, and the countless hours they have invested in pursuit of their engineering dreams.

To the Class of 2023, you have completed a challenging journey filled with late nights, exams, projects, and a myriad of technical hurdles. Yet, you have emerged victorious, armed with a degree that will open doors to a world of opportunities. You have shown resilience and determination in the face of challenges, and today, you reap the rewards of your efforts.

As we celebrate your accomplishments, it is important to recognize that your journey in engineering doesn't end here; it is just the beginning. The world is rapidly evolving, and the problems we face are becoming increasingly complex. As engineers, you have the unique responsibility and privilege to shape the future, solve global challenges, and innovate for the betterment of society. Remember that with great knowledge comes great responsibility. Your technical expertise can have a profound impact on the world, and I have no doubt that you will rise to the occasion.

In the modern world, collaboration and interdisciplinary thinking are key. Engineers do not work in isolation but as part of teams, alongside individuals from various backgrounds. You must be adaptable, communicative, and willing to learn continuously. Embrace diversity of thought and perspective; it will be your greatest asset.

Furthermore, it is essential to maintain your ethical compass. The decisions you make as engineers can influence safety, environmental impact, and the well-being of countless individuals. Always prioritize ethical conduct, and never compromise your values. Integrity is the cornerstone of success and trust in your profession.

Once again, congratulations to the Class of 2023. I have full confidence in your abilities and your potential to make a significant impact on the world. As you step into this exciting new chapter of your lives, always carry with you the values and principles instilled during your time at our Engineering College. You are not just graduates; you are ambassadors of knowledge, innovation, and progress.

I wish you all the best in your future endeavors. May your careers be filled with great achievements, and may you continue to make us proud. Thank you, and congratulations!

Dr. H M Nanjundaswamy
Principal

VICE - PRINCIPAL MESSAGE

It is with immense pleasure and pride that we celebrate the remarkable accomplishments of our graduates at this Engineering College. Your journey to this point has been filled with hard work, dedication, and an unwavering commitment to your studies. As the Vice-Principal of this institution, it is an absolute honor to share this special moment with you.

To the Class of 2023, I want to extend my heartfelt congratulations. You have successfully completed a rigorous academic program and have demonstrated your ability to overcome challenges, think critically, and adapt to the ever-evolving field of engineering. Your resilience, creativity, and determination have brought you to this pivotal juncture in your lives.

As you embark on your professional careers, I want to emphasize the importance of continuous learning and adaptability. The world is changing rapidly, and the challenges we face are increasingly complex. Embrace change, stay curious, and be open to new ideas and technologies. Never stop learning, as it is the key to staying relevant and effective in the dynamic field of engineering and management.

Integrity and ethical conduct are the cornerstones of your profession. Uphold the highest ethical standards in all your endeavors. In closing, I encourage you to dream big and think beyond the confines of tradition. The challenges you face will require innovation, creative problem-solving, and a willingness to explore uncharted territory. Embrace the spirit of exploration and, like the great engineers of the past, dare to dream of a better world.

The entire faculty and administration of this Engineering College take immense pride in your achievements, and we have full confidence in your ability to make a positive impact on the world. Carry the values and knowledge you have gained during your time here with you as you step into the world of engineering. You are not just graduates; you are future leaders and problem solvers.

I wish you all the success, happiness, and fulfillment in your future careers. Congratulations, Class of 2023! Your journey is just beginning, and I have no doubt that you will shine brightly in the world of engineering. Thank you, and congratulations once again!

Dean's Message

Dr. B Dinesh Prabhu
Dean (Academic)

PES College of Engineering, Mandya attained the autonomous status in the year 2008. Since, then it has been successfully conducting the academic and examination activities. The college runs Eleven undergraduate (BE) and Six Postgraduate programs (Four M.Tech programs, MBA and MCA)

On behalf of the family of PES College of Engineering, Mandya, we whole heartedly congratulate the college's Class of 2022-23. You have been exceptional representatives of the College and University. We have no doubt that you will continue to serve as worthy ambassadors for the college by building upon our reputation for excellence.

We believe that graduates of the College of our professional and graduate programs are unique, regardless of their chosen area of interest. You have the opportunity to enrich the lives of those around you. As you embark upon and progress through your careers, we urge you to always remember why you chose your respective field and the hard work that you have put in so that you can serve our society and improve the quality of life with compassion, honesty and integrity.

In the coming years, we would like you to have fond memories of the college, former professors, and fellow and future associates. We hope you are inspired to give back to the college by supporting college activities, programs and scholarships. Also keep us updated on the many achievements you will experience in your career and personal lives. We will always take great pride in your achievements.

We would also like to give special thanks to the parents and well-wishers of our graduates for their patience, understanding, sacrifices and support - both moral and financial - during these challenging but rewarding years at the college. Although your guidance, comfort and encouragement certainly will continue to be sought and appreciated in the years to come, you can rejoice in the gradual return to "normalcy" with no more long nights of studying, get-togethers unattended and trips untaken. Yet, even more so, you can relish the shared feeling of pride in what our graduate has accomplished and the abundant opportunities ahead.

Congratulations again to the graduates of our professional and graduate programs. The entire PES College of Engineering, Mandya, family is very proud of you.

Dr. Chandrashekar
Dy. COE

**Report
of
Autonomous Examination
Cell**

Dr. K. J. Mahendra Babu
COE

P.E.S. College of Engineering, Mandya has been granted autonomous status in the year 2008, by UGC, New Delhi and VTU, Belagavi. Autonomous Examination Cell (AEC) in P.E.S. College of Engineering plays a key role in the evaluation process – an important academic activity, to bring out the student’s performance. In reality, the academic achievement of a student is highlighted by various methodologies devised by autonomous regulations of the institution and consequently highlighted through office of the AEC, at each and every stage in the evaluation process, including Continuous Internal Evaluation (CIE), Semester End Examinations (SEE) and Make-up examinations (MUP).

Dr. K. J. Mahendra Babu, Controller of Examinations (COE) and **Dr. Chandrashekar** Deputy Controller of Examinations (Dy. COE) meticulously monitor the performance of students by giving suitable guidelines to various departments in the institution from time to time.

During the academic year 2022-23, about **855 (UG-722 / PG-133)** students are graduated for having full filled the requirements. Further, **58 UG (B.E)** students in various engineering disciplines and **15 PG** students in MCA and MBA programs have secured ranks. These graduates will be honored with medals along with Provisional Degree Certificates and Transcripts during **14th Graduation day** being held on **04-11-2023**.

We would like to convey our best wishes to all the graduates to have a bright career so that you become instrumental in transforming India, as a developed nation. We will be gratified, if you evolve yourselves as the real visionaries of our nation. Once again we congratulate all of you and wish a great professional career ahead.
