PRESIDENT MESSAGE

The P. E. S. College of Engineering is one of the leading educational institutions in Karnataka and it has been immensely helpful in providing adequate technocrats to fast growing industrialization in our country. The vision of our institute is based on hard work, open communication, a strong emphasis on teamwork and a high level of responsibility. This visionary culture allows and emphasizes our wards not only to adopt the present day

challenges but also individual responsibilities to the society and our nation at large.

Learning should be based on doing things and not merely knowing things. Until and unless learning solutions relate to real life and motivate the learner to acquire and apply the knowledge, the whole process will remain superficial. Any engineering institution worth its name looks to optimize the productivity of global leaders. Our institution has set specific objectives and planned activities for achieving excellence in all spheres of technical education.

The service of the institution in creating personally mature, professionally equipped and service-oriented graduates is really worth mentioning. We strongly believe in academic excellence and do not compromise on teaching standards or discipline. These three things are the springboards on which we operate.

The future is yours – set goals, confront challenges and seize opportunities. Make sure you have a purpose and a passion for what you pursue. As you celebrate your accomplishments today, may you honour the God who has brought you thus far and continue to depend on Him for guidance, as you navigate this thing called LIFE.

People who feel good about themselves produce good results and people who produce good results feel good about themselves. We also believe in total learning and sharing.”

Congratulation and best wishes to the Graduating Class of 2023-2024.

Sri. K S Vijay Anand

President, People's Education Trust®, Mandya.

PRINCIPAL MESSAGE

It is a great honor and privilege to share a message on this momentous occasion - the Graduation Day of our Engineering College. This day marks a significant milestone in the lives of our graduates, and it is a celebration of their hard work, dedication, and the countless hours they have invested in pursuit of their engineering dreams.

To the Class of 2023-24, you have completed a challenging journey filled with late nights, exams, projects, and a myriad of technical hurdles. Yet, you have emerged victorious, armed with a degree that will open doors to a world of opportunities. You have shown resilience and determination in the face of challenges, and today, you reap the rewards of your efforts.

As we celebrate your accomplishments, it is important to recognize that your journey in engineering doesn't end here; it is just the beginning. The world is rapidly evolving, and the problems we face are becoming increasingly complex. As engineers, you have the unique responsibility and privilege to shape the future, solve global challenges, and innovate for the betterment of society. Remember that with great knowledge comes great responsibility. Your technical expertise can have a profound impact on the world, and I have no doubt that you will rise to the occasion.

In the modern world, collaboration and interdisciplinary thinking are key. Engineers do not work in isolation but as part of teams, alongside individuals from various backgrounds. You must be adaptable, communicative, and willing to learn continuously. Embrace diversity of thought and perspective; it will be your greatest asset.

Furthermore, it is essential to maintain your ethical compass. The decisions you make as engineers can influence safety, environmental impact, and the well-being of countless individuals. Always prioritize ethical conduct, and never compromise your values. Integrity is the cornerstone of success and trust in your profession.

Once again, congratulations to the Class of 2023-24. I have full confidence in your abilities and your potential to make a significant impact on the world. As you step into this exciting new chapter of your lives, always carry with you the values and principles instilled during your time at our Engineering College. You are not just graduates; you are ambassadors of knowledge, innovation, and progress.

I wish you all the best in your future endeavors. May your careers be filled with great achievements, and may you continue to make us proud. Thank you, and congratulations!

VICE PRINCIPAL MESSAGE

It is with immense pleasure and pride that we celebrate the remarkable accomplishments of our graduates at this Engineering College. Your journey to this point has been filled with hard work, dedication, and an unwavering commitment to your studies. As the Vice-Principal of this institution, it is an absolute honor to share this special moment with you.

To the Class of 2023-24, I want to extend my heartfelt congratulations. You have successfully completed a rigorous academic program and have demonstrated your ability to overcome challenges, think critically, and adapt to the ever-evolving field of engineering. Your resilience, creativity, and determination have brought you to this pivotal juncture in your lives.

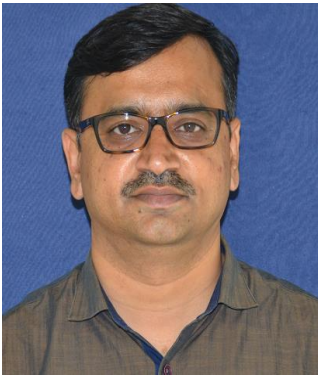

As you embark on your professional careers, I want to emphasize the importance of continuous learning and adaptability. The world is changing rapidly, and the challenges we face are increasingly complex. Embrace change, stay curious, and be open to new ideas and technologies. Never stop learning, as it is the key to staying relevant and effective in the dynamic field of engineering and management.

Integrity and ethical conduct are the cornerstones of your profession. Uphold the highest ethical standards in all your endeavors. In closing, I encourage you to dream big and think beyond the confines of tradition. The challenges you face will require innovation, creative problem-solving, and a willingness to explore uncharted territory. Embrace the spirit of exploration and, like the great engineers of the past, dare to dream of a better world.

The entire faculty and administration of this Engineering College take immense pride in your achievements, and we have full confidence in your ability to make a positive impact on the world. Carry the values and knowledge you have gained during your time here with you as you step into the world of engineering. You are not just graduates; you are future leaders and problem solvers.

I wish you all the success, happiness, and fulfillment in your future careers. Congratulations, Class of 2023-24, Your journey is just beginning, and I have no doubt that you will shine brightly in the world of engineering. Thank you, and congratulations once again!

Dean's Message

Dr. B Dinesh Prabhu
Dean (Academic)

PES College of Engineering, Mandya attained the autonomous status in the year 2008. Since, then it has been successfully conducting the academic and examination activities. The college runs undergraduate (BE) and Postgraduate programs (M.Tech, MBA and MCA programs)

On behalf of the family of PES College of Engineering, Mandya, we whole heartedly congratulate the college's Class of 2023-24. You have been exceptional representatives of the College and University. We have no doubt that you will continue to serve as worthy ambassadors for the college by building upon our reputation for excellence.

We believe that graduates of the College of our professional and graduate programs are unique, regardless of their chosen area of interest. You have the opportunity to enrich the lives of those around you. As you embark upon and progress through your careers, we urge you to always remember why you chose your respective field and the hard work that you have put in so that you can serve our society and improve the quality of life with compassion, honesty and integrity.

In the coming years, we would like you to have fond memories of the college, former professors, and fellow and future associates. We hope you are inspired to give back to the college by supporting college activities, programs and scholarships. Also keep us updated on the many achievements you will experience in your career and personal lives. We will always take great pride in your achievements.

We would also like to give special thanks to the parents and well-wishers of our graduates for their patience, understanding, sacrifices and support - both moral and financial - during these challenging but rewarding years at the college. Although your guidance, comfort and encouragement certainly will continue to be sought and appreciated in the years to come, you can rejoice in the gradual return to "normalcy" with no more long nights of studying, get-togethers unattended and trips untaken. Yet, even more so, you can relish the shared feeling of pride in what our graduate has accomplished and the abundant opportunities ahead.

Congratulations again to the graduates of our professional and graduate programs. The entire PES College of Engineering, Mandya, family is very proud of you.

**Report
of
Autonomous Examination
Cell**

Dr. K. J. Mahendra Babu
COE

P.E.S. College of Engineering, Mandya has been granted autonomous status in the year 2008, by UGC, New Delhi and VTU, Belagavi. Autonomous Examination Cell (AEC) in P.E.S. College of Engineering plays a key role in the evaluation process – an important academic activity, to bring out the student’s performance.

In reality, the academic achievement of a student is highlighted by various methodologies devised by autonomous regulations of the institution and consequently highlighted through office of the Autonomous Examination Cell, at each and every stage in the evaluation process, including Continuous Internal Evaluation (CIE), Semester End Examinations (SEE) and Make-up examinations (MUP).

Dr. K. J. Mahendra Babu, Controller of Examinations (COE) and **Dr. Divakar H R** Deputy Controller of Examinations (Dy. COE) meticulously monitor the performance of students by giving suitable guidelines to various departments in the institution from time to time.

During the academic year 2023-24, **799 (UG - 687 / PG - 112)** students are graduated for having full filled the requirements. Further, **53 UG (B.E)** students in various engineering disciplines and **13 PG** students in M.Tech, MCA and MBA programs have secured ranks. The toppers will be honored with medals and all graduates will be given Degree Certificates/Provisional Degree Certificates and Transcripts during **15th Graduation day** being held on **28-09-2024**.

We would like to convey our best wishes to all the graduates to have a bright career so that you become instrumental in transforming India, as a developed nation. We will be gratified, if you evolve yourselves as the real visionaries of our nation. Once again we congratulate all of you and wish a great professional career ahead.

ABOUT CHIEF GUEST

His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji

The Visionary

The present pontiff, the 24th Peethadhipathi of Jagadguru Sri Veerasimhasana Mahasamsthana Math, Sri Suttur Kshetra, and the President of JSS Mahavidyapeetha, assumed responsibilities in 1986. He received his spiritual training under the guidance of his illustrious predecessor.

H.H. Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji, the founder president of the

JSS Mahavidyapeetha, an educational and cultural organization dedicated to the ideal of providing education to the rural children of Karnataka.

His Holiness Jagadguru Sn Shivarathn Deshikendra Mahaswamiji is the Chancellor of JSS Academy of Higher Education and Research, Mysuru, a health science-based Deemed University and JSS Science and Technology University, Mysuru, a technological private University.

His foresight has made it possible for JSSMVP to extend its activities beyond the country. A Public School, JSS Academy of Technical Education, Pharmacy College and STEP (Science and Technology Entrepreneurs Park) have been established in Noida, UP, and the JSS Spiritual and Cultural Centre has been set up in Saketh, New Delhi. The JSS Spiritual Mission has been established in Maryland, USA. to promote the rich cultural heritage of India. A private school and a public school have been established in Dubai, and an engineering college has been set up in Mauritius.

The sincere efforts of His Holiness to address the challenges of society in areas such as literacy, healthcare, employment generation and societal work have been lauded and recognized by one and all. It is his vision and inspirational guidance that has prepared hundreds of JSS institutions to meet the 21st century expectations and needs.

His Holiness Swamiji as the religious head has been responsible for several pathbreaking initiatives that supported the emerging needs of a multicultural and tolerant society. He established the

‘Bharathiya Samskruthika Parishath’, an all-India body, by providing collective leadership involving heads of different religions intending to take up activities that could benefit humankind. He has been instrumental in providing momentum to the vision of His Excellency Dr. A.P.J. Abdul Kalam, the then President of India, to start ‘Foundation for Unity of Religions and Enlightened Citizens (FUREC)’. His Holiness has also taken the initiative of spreading Indian spirituality and culture in the United States of America, by establishing JSS Spiritual Mission in Maryland, USA. Besides, Swamiji is promoting the values in the Indian tradition and culture for the benefit of different sections of Indian society through various other activities.

Jagadguru Sri Shivarathri Deshikendra Mahaswamiji is engaged in enabling the dissemination of knowledge available in our scriptures and spiritual texts through publications and the establishment of Gurukulas (centres for training future religious heads).

Believing in the words of his predecessor that “Ignorance is the cause of many social evils and knowledge is one of many remedies,” Swamiji has steered and guided the JSS Mahavidyapeetha to evolve into a significant learning centre. He actively oversees the activities of JSSMVP, which has more than 300 educational institutions spread over Karnataka, Tamilnadu, Uttar Pradesh and Delhi in India, and Dubai, Mauritius and the USA internationally.
